SKILLS

- ✦ **Networking:**
Wireless And Ethernet Networking
- ✦ **Graphics Design:**
Photoshop, Adobe Lightroom, Canva, Infographics
- ✦ **Web Development:**
MERN Full stack web developer, Bootstrap, Tailwind, JavaScript
- ✦ **Computer Appreciation:**
MS Excel, MS Word, MS Access, Corel Draw.

CERTIFICATES

- ✦ **NYSC:**
Idanre, Ondo State 2020
- ✦ **GOOGLE:**
Digital Marketing -2021
- ✦ **FREECODCAMP:**
JavaScript Algorithm and data Structures - 2022
Responsive Web Design - 2022
- ✦ **SOLOLEARN:**
JavaScript Certified - 2022
Kotlin Certified - 2022
- ✦ **CISCO:**
Cisco Networking Academy
Cyber Security Essential - 2023
Introduction to Cyber Security - 2023

CAREER OBJECTIVE

Experience Electrical Electronics Engineer with a strong specialization in telecommunications technology. Leveraging a proven track record of designing, implementing, and optimizing cutting-edge communication systems. Excels in collaboration systems. Excels in collaboration with cross-functional teams to deliver innovative solutions, while ensuring the highest levels of reliability, efficiency, and performance. Seeking to contribute expertise and leadership to a dynamic organization committed to pushing the boundaries of telecommunications technology.

WORKING EXPERIENCE

Imo State Data Management Center

Network Administrator

Sept, 2022 – Present

As a Network Administrator, I've managed and maintained mission-critical network infrastructure with precision and attention to details. My responsibility encompassed configuring, monitoring, and troubleshooting network component to ensure seamless operation.

Data Auditor

Jan, 2022 - Oct, 2022

In my role as a meticulous Data Auditor, I've played a pivot role in maintaining data accuracy and integrity. With a keen eye for details I've conducted comprehensive audits, identified discrepancies, and ensured compliance with establishing data standards.

Data Collection officer

Oct, 2021 – Dec, 2021

As a diligent Data Collection officer, I've been at the forefront of gathering and compiling accurate and comprehensive data sets. Through meticulous planning and execution, I've efficiently collected data from various sources, adhering to established protocols and quality standards

Blessed Academy, Odede, Idanre L.G.A, Ondo State

Teacher

Feb, 2019 – Feb, 2020

As an enthusiastic educator, my role as a teacher has encompassed guiding students through the dynamic subjects of mathematics, Basic technology, and Physics. I've fostered a supportive learning environment where I've imparted a strong foundation in Mathematics and basic technology. In SS1 To SS3, I've passionately taught Physics, making complex concepts understandable.

Emma Electrical Electronic Ventures, Aba-Branch, Ehime Mbano.

Industrial Attachment

Jen, 2016 – Jan, 2017

During my industrial attachment at Emma Electronic Ventures, I gained invaluable practical experience that greatly complemented my studies as Electrical Electronic Engineering student. Focused on conducting and surface wiring, I immersed myself in hands-on projects that allowed me to apply theoretical knowledge to real-world scenarios. Under the guidance of experienced professionals, my immersive learning experience not only deepens my understanding of the subject but also equipped me with practical insights that will undoubtedly contribute to my future.

Chiomayke Computer Business Center Aba-Branch, Ehime Mbano

Computer Operator

Sept, 2014- Dec, 2014

As a computer operator, I expertly managed and monitored computer systems, ensuring their smooth operation. I skillfully executed tasks, maintained records.

PASSION

Giving back to my community

As I look ahead, I'm excited to explore new ways to contribute, collaborate with others, and inspire those around me to join the journey of creating a stronger, more compassionate community

Music

Music ignites my soul. Whether playing instrument, composing melodies, or just listening, its power to evoke emotions and connect people is my unwavering passion

Football

My passion for football drives me. The thrill of the game is a lifelong pursuit that ignites my spirit

Coding and researching

The creative process, problem-solving, and staying at tech's forefront fuel my passion. It's a lifelong commitment, driving my constant learning and innovation
